

REMARKS

The application has been amended and is believed to be in condition for allowance.

Applicant notes that the Attorney Docket No. should be 1501-1097.

Claims 1-3, 5-21, and 23-40 are pending, claims 1, 2, and 27 being independent. Claims 4 and 22 have been cancelled.

Applicant acknowledges with appreciation that claims 6 and 31 have been indicated to be directed to allowable subject matter.

In reliance thereupon, claims 1 and 2 have been amended to include the recitations of allowable claim 6, together with intervening claim 4. Claim 27 has been amended to include the recitations of allowable claim 31.

Claim 6 was rejected under §112, second paragraph, as indefinite. Claim 6 was based at least on the disclosure of specification page 4, the third full paragraph.

The present amendment is believed to remedy the stated basis of rejection. Withdrawal of the rejection is solicited.

Claim 6 has also been amended to correspond to the language of specification page 4, the third full paragraph. It is noted that this is a narrower recitation than previous claim 6.

Claim 7 has been amended to depend from claim 1 and in view of the inclusion of the switch means having been added to claim 1.

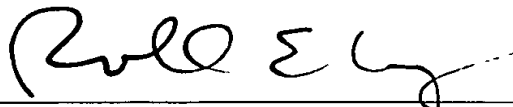

The independent claims having been amended to include the recitations of the allowable claims, allowance of claims 1, 2, and 27 is solicited. Allowance of the dependent claims is also solicited.

Applicant believes that the present application is in condition for allowance and an early indication of the same is respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. \$1.16 or under 37 C.F.R.\$1.17.

Respectfully submitted,

YOUNG & THOMPSON
